Proceeds to benefit Orlando Science Center

With your support, we will work as a team to create an exciting golf tournament while raising funds to support the educational initiatives of the Orlando Science Center. Proceeds will benefit the Science Center's operations including the continued development of creative and unique programming that will inspire and encourage the scientists, engineers and innovators of tomorrow.

We welcome back our loyal supporters from past years and invite new sponsors and players to join us for the **32nd Annual Cosmic Golf Challenge**. Not only will your donation have a direct impact on the children of Central Florida, but it is also an opportunity to showcase your company to Orlando's business leaders and professionals.
