

### **Orlando Science Center Member Benefits**

#### **Member Only Special Events**

Enjoy free admission to exclusive events like special astronomical viewings in the Crosby Observatory or previews of new films and exhibits (discount on Blockbuster Exhibits).

#### **Unlimited Giant Screen Films**

Explore everything from the deepest oceans to the wild lands to the highest mountains on Earth all on one Giant Screen. With a screen over eight stories tall and over 20 speakers, the Dr. Phillips CineDome will put you right into the action. Members also receive invitations to exclusive member only sneak previews and limited run movies.

#### **Holidays at Orlando Science Center**

Don't feel like dealing with the hustle and bustle of crowds during popular holidays like 4<sup>th</sup> of July and Halloween? The Science Center offers a safe, fun, and exciting place for you to enjoy these holidays with your family.

#### Camps, Classes & Workshops

Orlando Science Center camps and classes offer students the chance to be a paleontologist, a pirate, or even an astronaut while learning and having lots of fun in camps and classes during significant school breaks or major school holidays. Members receive special member-only discounts and advanced registration for classes, camps, and workshops.

#### **Guest Passes and Discounts for Member Guests**

Included with your annual membership are four free guest pass vouchers for your non-member friends and family for one time usage to Orlando Science Center. Don't worry if you have used all your passes, member guests also receive a discount on admission each time they are accompanied by a member.

# **SCOPE Magazine**

Each quarter Orlando Science Center publishes SCOPE, Orlando Science Center Magazine. Members receive a copy of Scope sent directly to the mailing address on file. Inside SCOPE members can stay up-to-date on upcoming exhibits, programs, and new films.

## **Discounts and Free Parking**

Membership is the magical key to unlock great member discounts at the science center. Members receive special discounts at the science store and café. Members also receive free admission to special events like Otronicon, and Cocktails & Cosmos. Members receive special discounts on fee-based programs such as camps, birthday parties, rentals and catering for special events. Best of all enjoy the Science Center with free unlimited admission and parking.

### **ASTC** Reciprocal Benefits

Traveling throughout the United States? Enjoy free admission to not only Orlando Science Center but also to more than 250 Association of Science and Technology Museums nationwide.

When you invest in an Orlando Science Center membership you are investing not only in the development of Arts and Sciences, but in the opportunity to spend quality time with your family and form those special memories that will last a lifetime. We happily provide to you the much-needed avenue to enjoy quality time together while you learn, explore, and grow – together with your loved ones.

On behalf of the Guest Services Team I would like to provide you with a renewed focus on the value of your Orlando Science Center membership. I would like to say, "Thank You!" to all of our current Orlando Science Center members for contributing to the growth of our organization. Please feel free to access our website for additional information, www.osc.org.
