

INTERNSHIP OBJECTIVES

- Obtain perspective and experience regarding a graphic design position, specifically with a large non-profit organization.
- To be a professional and positive ambassador for the Orlando Science Center.
- To complete design projects individually or as part of a team, while meeting the clients needs and deadline for the project.

INTERNSHIP REQUIREMENTS

- Intermediate knowledge/experience of industry graphics software and related formats specifically Photoshop, Illustrator and Acrobat (i.e. more than one year).
- Intermediate knowledge of PDF standards and graphics optimization.
- General knowledge of industry practices and design principles.
- Ability to work independently on assigned tasks using knowledge of design principles, required software, and specifications for that job.
- Experience exhibits, films and programs to properly promote the organization.
- Attend relevant meetings with staff, external partners and vendors.
- Ability to submit a portfolio of work with a design focus.

Unpaid Opportunity (Flexible hours: around 16 hours a week, two 8-hour days)

STAFF SUPERVISOR: Eric Vickers, 407.514.2107
