

SPARK STEM FEST

Bring Your Students to Spark STEM Fest School Field Trip Day!

Friday, February 13, 2026

Join us for an unforgettable educational adventure at Spark STEM Fest! School Field Trip Day focuses exclusively on school students with engaging hands-on exhibits and demonstrations led by STEM professionals in a classroom environment to inspire students to envision themselves in roles they may have never imagined. Your students will be thrilled by the Impossible Science® LIVE! Shows featuring renowned physicist and World Champion Magician Jason Latimer. Experience the magic of science with live stage shows. Check out a preview of the show by clicking [Impossible Science](#) or by scanning the QR code.

What to Expect:

- Interactive Classroom Activities with STEM Experts for grades 3-12
- Hands-on Exhibits and Engaging Demonstrations
- Impossible Science® LIVE! Stage Shows with Jason Latimer

How to Book a Field Trip: Contact Reservations at classes@osc.org or 407.514.2112 to schedule your visit. Don't miss out on this incredible opportunity to inspire and educate your students!

Help Spread the Word: Teachers, share this flyer with your colleagues and school community. Let's make Spark STEM Fest a memorable experience for all!
