ONGOING ACTIVITIES

ENGINEERING ZONE	LEVEL 3 Founders Room	Build a roller coaster, engineer the tallest tower, design a flying contraption and let your inner child run free in the Engineering Zone!
OPEN-MAKE ACTIVITIES	LEVEL 3 The Hive: A Makerspace	Step into the immersive world of filmmaking and create your own one-minute movie masterpiece! Utilize green screen tech to transport yourself to any setting imaginable. Get hands-on with creativity as you design and craft your own props while bringing your cinematic visions to life!
DINO ADVENTURES	LEVEL 4 DinoDigs	Dig for dino bones and explore fossils. Then, stomp on over to the dance floor and get your dance moves on under the dinosaurs.
OPEN LAB EXPERIMENTS	LEVEL 4 Dr. Dare's Lab	Backyard science meets a real chemistry lab! Explore the microbiology of a pond through a microscope, learn the science of water, and search for bones in owl pellets!
SPACE FLIGHT	LEVEL 4 Flight Lab	Fly through the galaxy and explore stars, planets, asteroids, and everything our universe has to offer!
TELESCOPE VIEWING	LEVEL 4 FINFROCK Terrace	Your telescope experience begins here! See what's visible through telescopes & enjoy a stunning view of the Orlando city skyline. <i>Weather permitting. Last entry time 11:00 pm</i>

The most accessible telescope viewing is available on the FINFROCK Terrace on Level 4. Please note, some telescopes' eyepieces for viewing may not be possible from a seated position. Please ask a Terrace door attendant for available options. The Observatory outdoor deck on Level 6 is wheelchair accessible, and a telescope will be available for viewing. For safety purposes, visitors wishing to access the refracting telescope on the top deck must be able to climb 15 steps unassisted.

GIANT-SCREEN FILMS

JOURNEY TO THE SOUTH PACIFIC	An underwater voyage to Indonesia to learn about its inhabitants such as giant rays and whale sharks as well as efforts being made in the region for ocean conservation.
JOURNEY TO SPACE	Learn about the important role of the International Space Station. Uncover what NASA and the space community are working on, and the challenges they face to carry out bold missions such as capturing asteroids and landing astronauts on Mars.

ANIMAL
ENCOUNTERS

Experience some up-close animal encounters with Orlando Science Center's Animal Ambassadors throughout the evening!

COMMUNITY
PARTNERS

A heartfelt THANK YOU to all our partners for giving their time to share their knowledge and love of science, as well as resources and creative ideas that can help you make the world a better place.

WITH SPECIAL THANKS TO ALL OUR PARTNERS!

FOOD & BARS

PROMOTIONS

ELEVATORS

All levels are accessible by elevator or stairs. As a courtesy to others, please give priority use of elevators to those who may find stairs difficult.

TAXI & RIDE SHARE

Drop-off & Pick-up at Entrance A off Camden Road
Mears Taxi Service: 407.422.2222

BECOME A MEMBER OR VOLUNTEER

MEMBERSHIP

Become a Member today and come back to future Science Night Live events for **FREE**, in addition to many other benefits!

You can apply tonight's ticket price to a Membership within the next 30 days. Visit Guest Services in the lobby for details.

VOLUNTEER

Thank you to all of our dedicated volunteers at tonight's Science Night Live! For more information on joining our volunteer team, email volunteer@osc.org.

SHARE YOUR PHOTOS

Use **#ScienceNightLive** to be entered for a chance to win 4 tickets to OSC!

PLEASE DRINK RESPONSIBLY

SPECIAL GUEST PRESENTATIONS

Exploring the Mysteries
of the Milky Way
9:00

Presented by Dr. Anish Roshi
Florida Space Institute
University of Central Florida

In this captivating talk, Dr. Roshi will delve into the enigmatic realms of Dark Matter and the interstellar medium. Discover how these cosmic components shape our galaxy, influence star formation, and impact the rotation of celestial bodies.

Digital Adventure Theater, Level 2

KABOOM
10:00 & 11:00

We're excited to bring one of our fan-favorite shows to Science Night Live! Explore the science of combustion in this explosive live show featuring some colorful chemistry!

Doors open 10 min. prior

WHERE TO FIND

BARS

- LEVEL 1 Rotunda & Cafe
- LEVEL 3 Rotunda & STEAM Gallery
- LEVEL 4 Rotunda, DinoDigs & Our Planet, Our Solar System

FOOD

- LEVEL 1 Cafe
- LEVEL 4 DinoDigs & Our Planet, Our Solar System

THE SCIENCE STORE

- LEVEL 2 Lobby - Closes at 11:30 pm

LIMITED TIME ONLY EXPERIENCES

GOING PLACES

Presented by Orlando Health and Brightline

On display January 21 – May 5

Traveling Exhibit Hall, Level 2

ART SPEAKS:
A CELEBRATION OF BLACK ARTISTS

Co-curated by Art for All Spaces

On display January 13 – April 21

Fusion: A STEAM Gallery, Level 3
