

Dear Caregivers,

It is a pleasure to welcome your child to the Orlando Science Center's Summer Camps and *All Paws on Deck for Kindergarten*. This week will be incredibly fun-filled and provide your child with a variety of hands-on, exploratory learning experiences. In order to help you discuss with your child what he or she has seen and done each day, we would like to give you an overview of the camp for this week.

Sincerely,

OSC Summer Camp Staff

All Paws on Deck – Peek at the Week

“Grab your Pup Pack and get ready to spend the day with your favorite rescue dogs, the Paw Patrol! Help Marshall put out fires, take to the air with Skye and save the day using recycled fixes with Rocky. Explore how all kinds of people and pups use science and engineering to make our lives better. *Paw Patrol is a registered trademark of Spin Master Ltd., which does not sponsor, authorize or endorse this site*”

Monday – Pups are a Human’s Best Friend: “Paw Patrol is on the roll!” Campers will be introduced to camp staff, their fellow campers, and their Science Notebooks. Campers will create their own pup to take home and they will discover the colors a dog can see compared to what humans can see.

Tuesday – Engineering with Rubble the Pup: “Let’s dig it!” Campers will produce a tool that will help them clean up a model avalanche in Adventure Bay and be introduced to the Engineering Design Process.

Wednesday – Skye and Zume, the Rescue Pups: “Let’s take to the sky!” Campers will explore the aerodynamic properties of a selection of materials and will assist Skye in a rescue mission. Campers will also work as a team to create structures that will help them get the attention of the Paw Patrol rescue team!

Thursday – Thinking Green, Just Like Rocky: “Green means go!” Campers will play a sorting and organizing game that will help them see the enjoyable side of recycling. They will also think like Rocky to craft recycled and fun-filled activities!

Friday – Meeting Marshall and Chase: “Ready for action!” Campers will discover what a fire needs to burn as well as how to be safe around fire. They will also create a medal for finishing all of the Paw Patrol challenges!
