

OSC After Dark

YOUNG ORLANDO'S HALLOWEEN PARTY
BENEFITING ORLANDO SCIENCE CENTER
OCTOBER 25, 2023 ★ 21 & UP

Dear Friends and Community Partners,

You are invited to the return of the annual OSC After Dark hosted by Young Professionals for Orlando Science Center on Friday, October 25, 2023. This event brings together Orlando's up and coming business leaders, family, friends, and associates for a thrilling Halloween-themed experience.

Proceeds support the Science For All Fund, which helps to remove social, economic or cultural barriers so that everyone in our community can have access to the Science Center to spark their interest in science, technology, engineering, and math (STEM) education.

Your sponsorship of the 2023 OSC After Dark will reinforce Orlando Science Center's mission to *inspire science learning for life*. Our members have grown up to be engineers, teachers, doctors, educators, and even NASA scientists. Many more await the same opportunity to be inspired.

Sponsorships are available from \$500 to \$5,000 and include valuable benefits such as high-profile publicity, behind the scenes tours, tickets to Science Night Live at Orlando Science Center, and of course, tickets to the coolest Halloween party in Orlando. The event will feature Science Center exhibits, a live band, costume party, delicious food and drinks amongst the dinosaurs, a raffle, and much more!

Find your spookiest garb, wipe off the cobwebs (or wear them!), and make your mark on the sponsorship commitment! You will have a great time knowing you've made a difference in the lives of children across Central Florida. Please join us and the Young Professionals in support of Orlando Science Center. Thank you for your consideration – we look forward to hearing from you.

Sincerely,

Young Professionals for OSC Board
