

Otronicon

February 12-15, 2021

What is Otronicon?

Now in its 16th year, Otronicon is an annual celebration of Central Florida's simulation, technology, digital media and gaming industries – and the perfect vehicle to engage people of all ages with exploration of cutting edge technology that is changing our world.

Engage

Visitors of all ages, including families, teachers, middle and high school students attend Otronicon each year! Exhibits, demonstrations, workshops, speakers, competitions and much more will connect audiences with the STEM experts and innovation that is driving the future.

Why partner with Orlando Science Center at Otronicon?

- Highlight and support STEM (science, technology, engineering and math) education in Central Florida
- Expose students and teachers to career paths vital to our community and help build our future STEM workforce
- Promote the strengths of STEM industries like simulation and digital media in Central Florida
- Attract earned media coverage and marketing opportunities
