

LEVEL 1**Life**

Presented by Dr. Sarah Layton

With three immersive habitats, Life is an all-new nature and conservation exhibit that explores the story of our planet from the perspective of the animals that call it home.

Food Heroes

Presented by Orlando Health

Explore the complexities of our food system and how we can make it more sustainable and healthier for everyone. Built and designed to complement the 4Roots Cafe.

The Dome by Dr. Phillips Charities

Whether you're looking to learn, explore, or simply be amazed, the Dome presents planetarium shows, giant screen films, and more on a giant domed screen with stunning 8K laser projection and 30,000 watts of stereo sound. Sit back, look up, and get ready to have your mind blown.

LEVEL 3**The Hive: A Makerspace**

Presented by The Isaacs Family

The Hive is a creative space where you, the maker, are empowered to learn together, explore skills, and share ideas. *The Hive is designed specifically for makers ages 8 and up. Makers 12 and under must be accompanied by an adult.*

Fusion: A STEAM Gallery

See art from a new and exciting perspective as it's fused together with STEM. New and permanent exhibitions are featured throughout the year with an emphasis on local artists.

LEVEL 2**PHENOMENA: The Exhibition**

May 17 – September 7

An interactive journey with over 20 stunning and immersive illusions. Discover how your brain can be fooled, learning about the science behind optical illusions.

KidsTown

Collect oranges, climb, splash, explore and play in our KidsTown exhibition, a special exhibit hall designed for children who are developmentally 0-7 years old.

Kinetic Zone

Explore forces and motion as you design, build, and test your own creations in a series of hands-on challenges.

Digital Adventure Theater

Experience the adventure in this stadium-seated theater with explosive live shows and 3D films.

LEVEL 4**DinoDigs**

Meet the ancient rulers of our planet as you discover dinosaurs and prehistoric sea creatures. Become part of a paleontological excavation team when you explore our interactive dig pit, Jurassic Ridge.

Our Planet, Our Solar System

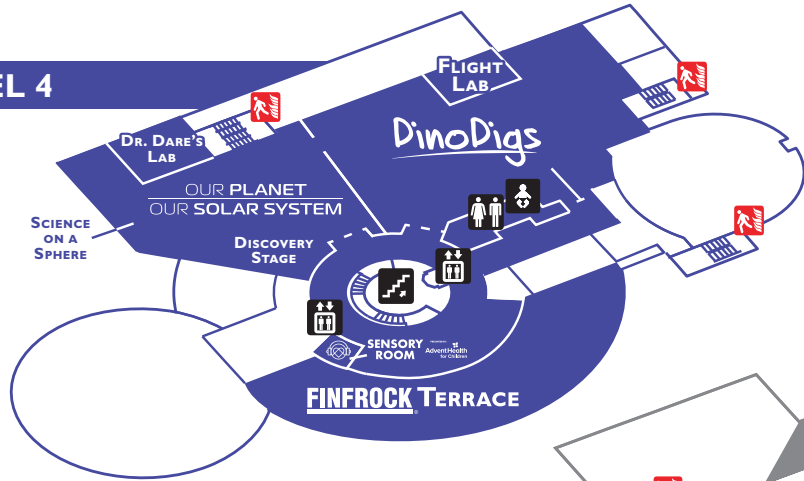

Through hands-on exhibits, discover how the atmosphere, biosphere, geosphere, and hydrosphere are connected and how the tiniest change in one can dramatically affect the others.

OSC Manners

Orlando Science Center (OSC) was built for your enjoyment, but we reserve the right to terminate the visit of any individual or group that is inadequately supervised or fails to conform to good standards of behavior, vandalizes or misuses OSC property. Please know that children under the age of 12 years old must be accompanied by a responsible adult. The Science Center is LEED certified so smoking, dipping or chewing tobacco or a tobacco product must take place 25 feet from all exterior doors. No tobacco products or e-cigarettes are allowed in the facility. The possession of weapons of any kind are strictly prohibited. If someone is suspected of having a weapon in their possession, they will be detained and the necessary authorities will be contacted so a search and seizure can be conducted.

Tickets are nonrefundable or exchangeable. 3D glasses are property of OSC, please place them in the bin when exiting the theater. Cameras or recording equipment are prohibited in the theaters. For your safety, no late seating or reentry while The Dome by Dr. Phillips Charities shows are in progress. Management not responsible for items left unattended. The Science Center occasionally photographs and/or records exhibits, programs, or live performances in session for promotional use. Should you have objection to the Science Center using photographs/recordings of you or your children, please notify a staff member when you notice photography or filming being conducted for the above-mentioned reasons.
