

DECLARATION OF ARTIFICIAL INTELLIGENCE USE

**Dr. Nelson Ying Science Competition at
Orlando Science Center**

Instructions for proper submission of PDF form:

1. Save blank form to computer.
2. Fill in form using Adobe Reader. You only have the amount of space provided to answer each question.
3. Before submitting the form, save a completed copy to your computer.
4. Upload to the corresponding section in the Google form.

Completion of this section is mandatory. While the use of artificial intelligence (AI) can be beneficial for research design and data analysis, AI should not be used to write your paper. The paper should be your own independent writing.

Did you use any AI agent(s) in the course of conducting this research? If yes, please complete the following questions.

Which AI agent(s) did you use?

How did you use the AI agent(s)?

Did you independently verify the results of any AI-based searches?

Are all sections of your paper your own original writing without any use of AI? If not, please complete the following questions.

Which AI agent(s) did you use?

Describe how the AI agent(s) were used, specifying if AI (a) generated any text or (b) improved any of your original text.

If (a), **you should not submit your paper.**

If (b), explain the precise extent to which AI was used to edit or improve your paper.

I certify that the information above is true to the best of my knowledge. By typing your name into the signature box, you agree that you are electronically signing this document.
