

ORLANDO SCIENCE CENTER

# CORPORATE MEMBERSHIP PROGRAM

Partner with Orlando Science Center to align your brand with one of Central Florida's most trusted community institutions and open a world of possibility for telling your own story. The Science Center offers a wide range of relatable and impactful content that provides unique opportunities to empower your message and deliver it to a diverse and deeply curious audience.

As a Corporate Member you will support a wide range of rich and dynamic programming that brings STEM education to thousands across Central Florida and beyond. This includes hands-on exhibits, compelling live shows, and impactful programs and events that reach over 660,000 guests annually.

When you join OSC as a Corporate Member you will unlock a world of benefits designed to enrich your corporate culture, engage your employees, and cultivate your clients. Your involvement inspires science learning for life and furthers STEM education for the next generation of leaders.
