FUN EDUCATION TOGETHER

ADDITIONAL MEMBERS

Add additional adults to any family or grandparent membership level for \$25.00 each. Add a nanny to any family membership level for \$50.00 each. Limit two per family membership.

SUPPORT THE SCIENCE CENTER

Thank you for joining Orlando Science Center's membership family. Your purchase not only makes you a member, it also makes you a donor. As a private, nonprofit organization, we need the support of donors like you who understand the importance of science education. However, there are many who cannot afford to experience the Science Center. With an additional donation today, you can give other families and those less fortunate the chance to enjoy the Science Center as well. Your tax-deductible donation can help provide camp scholarships and family memberships for those in need. Your donation, in any amount, makes a direct impact on our mission to inspire science learning for life. Thank you for your support.

Visit our admissions desk to make a donation or www.osc.org/support for online giving.

Memberships are non-refundable and non-transferable. Contents of exhibits are subject to change. Memberships are valid one year from date of purchase. Free admission benefit does not apply when a member visits with a group. Other exclusions may apply.
