

Dear Caregivers,

It is a pleasure to welcome your child to the Orlando Science Center's Summer Camps and *Turtle Power!* For *grades blank – blank*. This week will be incredibly fun-filled and provide your child with a variety of hands-on, exploratory learning experiences. In order to help you discuss with your child what he or she has seen and done each day, we would like to give you an overview of the camp for this week.

Sincerely,

OSC Summer Camp Staff

Turtle Power! – Peek at the Week

Are you a Hero in a Half-Shell? Test your creativity as we create an invention like Donatello, conquer puzzles like Leonardo and become a team-leader like Master Splinter. We will explore the Teenage Mutant Ninja Turtles Traveling Exhibit and learn about real turtle adaptations!
Cowabunga dude!

Monday – Turtle Time: It's Turtle Time! Campers will start the week by learning about turtles and tortoises by making a 3D model. Then, they will learn the teaching skills that Master Splinter possesses by practicing techniques using shapes and colors.

Tuesday – Cowabunga: Welcome to the TMNT Team! Campers will create their very own iconic masks and shells. In addition, they will learn about what makes a turtle such a cool reptile. Turtle anatomy is Cowabunga dude!

Wednesday – Ability, Skills, and Powers: Campers will learn more about Donatello's inventions while helping him make a turtle excluder device to help our turtle friends and a jetpack to help the TMNT team.

Thursday –The Four Brothers: Campers will learn more about Raphael, Michelangelo, Leonardo, and Donatello - named after famous Renaissance inventors and artists! They will make their own artistic portrait just like the famous artist Raphael. Then campers will make their own memory matching game to share with the class.

Friday –Turtle Power Technology: Campers will learn about phone technology by creating their own T-Phone. Also, they will go on a mission! Campers will work in groups to reach communication with Donatello by making circuits and shelter as help arrives.
